

CHAINS:

- Link plates have increased waist width to combat fatigue
- Ball burnished to assure maximum resistance to fatigue
- Link plates and rollers are shot peened, providing greater strength
- All plates, rollers and pins are heat treated
- All chain is run in and pre-stressed to prevent initial elongation and fatigue
- All chain packaged in sealed pouches then packed in heavy duty laminated boxes.

SPROCKETS:

- High Quality Carbon Steel
- Black Oxyde Finish
- Heat Treated
- Keyway (Finished Bore)
- 2 Set Screws (Finished Bore)
- Locking Feature on Set Screws

PRECISION ROLLER CHAIN AND SPROCKETS

YOUR LINK TO QUALITY.

ISO 9001 AND ANSI B-29-1 CERTIFIED

TRITAN.

YOUR LINK TO QUALITY.

TRITAN Power Transmission Components are manufactured with China's most technologically advanced machinery, producing world class power transmission products. TRITAN uses heat-treated select alloy steel, advanced quality control and testing systems to insure the highest quality.

TRITAN products are certified to ISO 9001 standards and also conform to ANSI B-29-1, American Petroleum Institute, DIN8196, JIS1801 and BS certification. These exacting standards provide many advantages to you and your customers.

Experience what higher standards and a true commitment to your satisfaction can bring to all your precision power transmission component requirements. See for yourself just what the TRITAN difference is.

THE TRITAN LINE OF SUPERIOR PRODUCTS.

DRIVE CHAIN

- 25-1 THRU 240-1 SINGLE STRAND ROLLER CHAIN
- 25-2 THRU 100-2 DOUBLE STRAND
- 35H THRU 120H HEAVY SERIES
- 25-1SS THRU 80-1SS STAINLESS STEEL
- 25-1NP THRU 120-1NP NICKEL PLATE
- 50-1C THRU 120-1C COTTERED CHAIN
- 04B-1 THRU 48B-1 METRIC CHAIN
- 2040-1 THRU 2080-1 DOUBLE PITCH

CONVEYOR CHAIN

- C2040-1 THRU C2120H-1 CONVEYOR CHAIN
- C2042-1 THRU C2082H-1 CONVEYOR CHAIN
- 40-1HP THRU 80-1HP HOLLOW PIN
- 81X LUMBER CHAIN
- 40SS-1 STICKER CHAIN

SPECIALTY CHAIN

- CITRUS CHAIN
- DAIRY CHAIN
- LEAF CHAIN (AL AND BL SERIES)
- SILENT CHAIN
- ENGINEERED CHAIN
- ALL ATTACHMENT CHAIN

SPROCKETS

- 25-240-PITCH (FINISHED BORE & MPB) A, B, C TYPE (SINGLE STRAND)
- 25-240-PITCH (MPB) A, B, C TYPE (DOUBLE & TRIPLE STRAND)
- DOUBLE SINGLE
- QUAD
- IDLERS
- SPLIT
- BUSH TYPE
- STAINLESS STEEL
